

HAPFS Announcement

Update of Mailing Address

As per our previous announcement on “Reminder on AEOI and Update of Mailing Address” in March 2021, HSBC has already started sending all correspondence directly to members based on the residential address record. As you may be aware, Member Benefits Statement (“MBS”) was sent to you directly by HSBC in May 2021 instead of through hospitals. This not only shortens the delivery time, but also ensure accurate delivery of the MBS to your correspondence address.

In order to ensure that you could receive all future communications from HSBC promptly, you should keep them informed of any changes in your mailing address as early as possible. **Please note that you need to update your latest address with HSBC even if you have already changed the address record with HA HR.**

If you have not yet received this year’s MBS or you have moved to a new address, please update your address record with HSBC now by filling in the “Change of Particulars Form for (Extended) Member” which can be downloaded from HAHR Intranet (<https://hapfs.home/pfund.aspx?categoryid=5&groupid=36>) or INVESNet (<http://www.hapfs.invesco.com.hk>). Please return your completed form by mail to "HSBC Institutional Trust Services (Asia) Limited, Member Services, PO Box 73448, Kowloon Central Post Office, Hong Kong." A confirmation letter will be sent to you once the record is updated successfully.

Thank you for your prompt attention to this matter. Should you want to check your current address record held by HSBC or have any other questions, please do not hesitate to contact Invesco member hotline for HA employees at (852) 3191 8088.
