

Invesco Global Leisure Fund

30 November 2018

Morningstar Rating™
★★★★★

Important Information

- The Fund invests in an international portfolio of investments in companies predominantly engaged in the design, production or distribution of products and services related to the leisure time activities of individuals.
- Investors should note the concentration risk of investing in companies predominantly engaged in the design, production or distribution of products and services related to the leisure time activities of individuals, currency exchange risk, equities risk, volatility risk, and general investment risk.
- Financial derivative instruments (FDI) may be used for efficient portfolio management purposes or to hedge or reduce the overall risk of investments. Risks associated with FDI include counterparty/credit risk, liquidity risk, valuation risk, volatility risk and over-the-counter transaction risk. The leverage element/component of a FDI can result in a loss significantly greater than the amount invested in the FDI by the Fund. Exposure to FDI may lead to a high risk of significant loss by the Fund.
- The value of the Fund can be volatile and could go down substantially.
- Investors should not base their investment decision on this material alone.

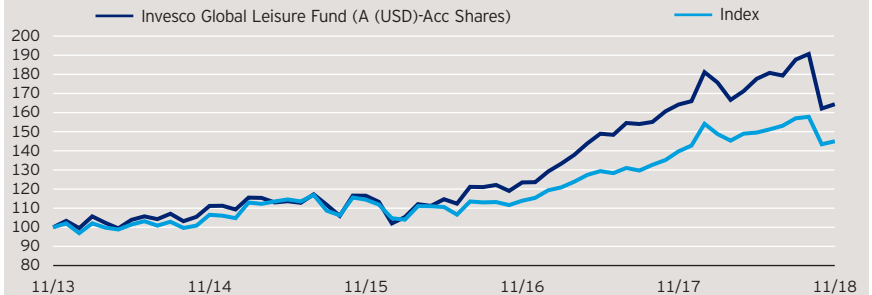

Objectives and investment strategy

The Fund aims to provide long-term capital growth from an international portfolio of investments in companies predominantly engaged in the design, production or distribution of products and services related to the leisure time activities of individuals.
