## New Year, New Outlook – Top Five Forecasts for Investment and the MPF Market in 2024

As the new year unfolds, bringing with it an opportunity for new strategies, what's the best way to manage MPF investments? Join us as Mr Raymond Chan, Investment Director of BCT Group, shares his expertise on MPF investment strategies. Drawing upon the global market movements of the previous year, he will provide valuable insights into what to anticipate in the markets and investments for 2024.

## Navigating MPF Fund Transfers: Understanding Limits and Fees, and the Importance of Timing in Adjusting Your MPF Investment Portfolio

MPF plays an essential role in safeguarding retirement security in Hong Kong, offering a safety net for the long retirement years ahead. When it comes to MPF, members must make thoughtful decisions when selecting trustees and schemes, taking into account a range of considerations. Additionally, it's important for members to stay alert to market dynamics and regularly reassess their MPF investment portfolios, achieving the long-term goal of enhancing their assets.

## Decoding MPF Performance with Pop Charts: An Effective Method to Compare MPF Returns and Performance

Whether you're an employee or self-employed, the start of 2024 is the perfect time to evaluate your MPF performance from 2023. MPF investment is an integral part of asset planning and deserves regular attention on its returns. What constitutes a 'reasonable' return on MPF investments? And how should we effectively compare the returns and performance of different MPF funds?
