

# Invesco China Focus Equity Fund

31 August 2019

Morningstar Rating™  
★★★★

## Important Information

- The Fund invests in equity or equity related securities of companies with exposure to China.
- Investors should note the emerging markets risk, risk associated with investment in China, concentration risk of investing in securities of companies with exposure to China, volatility risk, currency exchange risk, equities risk, and general investment risk.
- Financial derivative instruments (FDI) may be used for efficient portfolio management purposes or to hedge or reduce the overall risk of investments. Risks associated with FDI include counterparty/credit risk, liquidity risk, valuation risk, volatility risk and over-the-counter transaction risk. The leverage element/component of a FDI can result in a loss significantly greater than the amount invested in the FDI by the Fund. Exposure to FDI may lead to a high risk of significant loss by the Fund.
- The value of the Fund can be volatile and could go down substantially.
- Investors should not base their investment decision on this material alone.

## Objectives and investment strategy

The objective of this Fund is to achieve long-term capital growth by investing in equity or equity-related securities of companies with exposure to China.
